Individually Designed Health Related Majors

ICP is redesigning the popular Health and Wellness track. Interested students should consult with ICP. These are held weekly in 107 Armory. To reserve a place, call 624-2004.

CLA offers a BIS option. This is a BA with Public Health and/or Health Studies Concentrations. Info sessions are held weekly in 345 Fraser Hall. Call 624-8006
Medical School
http://www.med.umn.edu/

Pre Med advising is provided by the student’s college adviser. The Medical School’s Director of Admissions, Dr. Marilyn Becker, is available to meet with specific groups of pre-Med students: applicants for the upcoming admissions cycle, rejected applicants, special situations such as students with a Master’s degree. The Medical School sponsors Pre Medical School Day each spring. Any student can attend Pre Med information meetings offered by CBS and use career services at the CLA Career and Community Learning Center (CCLC).
